Enclosure No. 3

Submits a letter no. 782 dated 24th may last of the Special magistrate, Kolar gold fields for the orders of Government and recommends that he may be granted travelling allowance at the rate prescribed for sub-divisional and Assistant Commissioners magistrates

Submitted proceedings relating to the pay & Head Quarters House allowance sanctioned to Mr. Hume Wright.

No travelling allowance appears to have been fixed to him.

It is however learnt from the Comptroller's office that on two occasions viz: in October & November 97 he was allowed the Sub Divisional Officers old rate of batta viz: Rs 4 per diem.

The Bills which included these rates did not pass through this office

Sir

I have the honor to submit for orders Copy of letter no 782 of the 24th may last, from Mr Hamel Wright, Special Magistrate, Kolar Gold fields, and its two enclosures

Sir.

I have the honor to submit two travelling bills A & B, one of which has been passed by the Comptroller only for Munsiffs allowances. I have to point out that my appointment is not that of a Munsiff, nor am I graded, nor draw pay as one; nor was the travelling done in Connection with Munsiffs' work. I was appointed in the Service by His Excellency the Dewan as Special and 1st Class magistrate

Cash and have always drawn travelling allowance in the grade of a Sub Division officer, and even the bill B, enclosed is passed for 1st Class. This action of the Comptroller is inconsistent and a slight upon my position. I beg to submit that I am entitled to the same travelling allowances under the new rule as a Sub Division officer, and I think it is unfair that I should be mulcted of horse allowance when undertaking a journey sanctioned by and solely in the interests of Government, seeing that I could not possibly ride a horse to Bangalore and back; as a matter of fact, the Charges made hardly cover my expenses. I desire to point out that this is not the first time that I have been treated as holding only the rank

rank of munsiff, which is annoying to say the least of it. I am simply invested with the civil powers of a munsiff since 1893 and I have no official grade as munsiff. I beg, sir, that you will submit these bills to Government for correction and ask His Excellency the Dewan to change the designation of my office to one more suited to the rank I hold in the service, as my position is at present anomalous and unpleasant.—

I have the honor to be,
Sir
your obedient servant
